**V1.x for M2**

**User Guide / *SunflowerBiz***

# Table of Contents

- Installation
- Module setting
- How to access to the WeChat Official Account AppId/Secret

**SUNFLOWERBIZ**

Email: [info@sunflowerbiz.com](mailto:info@sunflowerbiz.com)

Web: [www.sunflowerbiz.com](http://www.sunflowerbiz.com)

## **Installation:**

From your base Magento2 directory -> app -> code (you may have to create this directory), create Sunflowerbiz directory to your app/code directory.

From the base Magento2 directory:

**-Upload the contents of 'Qfpaywechat' directory to 'app/code/Sunflowerbiz' directory of your Magento installation**

**-Enable the module running the following commands on the root of your Magento installation:**

**bin/magento module:enable Sunflowerbiz\_Qfpaywechat --clear-static-content  
bin/magento setup:upgrade**

-----  
The following commands should work even in windows with the forward slash swapped for back.

```
php bin/magento cache:clean  
php bin/magento setup:upgrade  
php bin/magento setup:di:compile  
php bin/magento setup:static-content:deploy
```
