SUNFLOWERBIZ Email: info@sunflowerbiz.com Web: www.sunflowerbiz.com

Installation:

From your base Magento2 directory -> app -> code (you may have to create this directory), create the Sunflowerbiz directory to your app/code directory.

From the base Magento2 directory:

-Upload the contents of 'Unionpay' and 'Base' directory to 'app/code' directory of your Magento installation

-Enable the module running the following commands on the root of your Magento installation:

bin/magento module:enable --clear-static-content Sunflowerbiz_Unionpay bin/magento setup:upgrade

The following commands should work even in windows with the forward slash swapped for back.

php bin/magento cache:clean php bin/magento setup:upgrade php bin/magento setup:di:compile php bin/magento setup:static-content:deploy

Email: info@sunflowerbiz.com Web: www.sunflowerbiz.com

Module Setting:

1.Go to Admin Panel, navigate to STORES and click on Configuration.

2.Expand SALES and choose Payment Methods in the dropdown.

3. Set up UnionPay.

Expand the **Unionpayintl** section to start the configuration.

⊖ Unionpayintl
