SUNFLOWERBIZ

Email: info@sunflowerbiz.com

Website: www.sunflowerbiz.com

Installation:

From your base Magento2 directory -> app -> code (you may have to create this directory), create Sunflowerbiz directory to your app/code directory.

From the base Magento2 directory:

Upload the contents of 'Base' and 'Popuplogin' folders to 'app/code/Sunflowerbiz' directory of your Magento installation

Enable the module running the following commands on the root of your Magento installation:

```
bin/magento module:enable --clear-static-content Sunflowerbiz_Popuplogin  
bin/magento setup:upgrade
```

The following commands should work even in windows with the forward slash swapped for back.

```
php bin/magento cache:clean  
php bin/magento setup:upgrade  
php bin/magento setup:di:compile  
php bin/magento setup:static-content:deploy
```

Front I: Sign-in Page

When a customer clicks the sign-in link, the sign-in popup will display.

Front II: Create An Account Page:

When a customer clicks the create an account link, the register popup will display.

The image shows a 'Create Account' popup for the LUMA application. The popup is a white rectangular box with a close button (X) in the top right corner. It features the LUMA logo at the top, which consists of a colorful circular icon and the word 'LUMA'. Below the logo are five input fields: 'First Name', 'Last Name', 'Email' (containing 'sample@email.com'), and two password fields (both masked with dots). A checkbox labeled 'Sign Up for Newsletter' is located below the password fields. At the bottom of the form is a blue button labeled 'Create an Account'. Below the button is a link that says 'Go to Login'. The background of the application is a dark gray, and a 'Default welcome msg!' is visible in the top right corner of the background.

Default welcome msg!
